Dear reader,

It is our pleasure to invite you to the joint final conference of the two Horizon 2020 projects [ALL-Ready](#) and [AE4EU](#), hosted by the European Committee of the Regions.

When: 27 September 2023, full day

Where: European Committee of the Regions, Brussels

The one-day conference will shed light on how the two projects paved the way for a European Network of Living Labs and Research Infrastructures. Experiences from involved Living Labs and Research Infrastructures will give practical insights and a focus will be on how Regions can best support the agroecology transition with the help of Living Labs and Research Infrastructures and what role the future European partnership “Accelerating farming systems transition: agroecology living labs and research infrastructures” will play.

Registration will open soon - For more information please see [here](#).

Call for Papers

International Forum on Agroecosystem Living Labs

When: 2-6 October 2023

Where: Montréal, Canada

Co-hosted by [ALL-Ready](#) partners [Agriculture and Agri-Food Canada](#) and [INRAE](#), this will be a side event within the [Adaptation Futures 2023 conference](#) in Montréal, Canada, from October 2 to 6, 2023.

The Forum will feature discussion panels and parallel sessions of scientific papers to establish state-of-the-art practices, share lessons learned from case studies and address challenges facing the international agroecosystem living lab community. The Forum will also feature networking events and field tours aiming to generate dialogue among practitioners, provide a platform for sharing innovative ideas, and create an inspiring space for collaboration and action.

Diverse stakeholders including academics, governmental researchers, policy makers and practitioners, among others, are invited to submit outlines for papers and posters until **30 March 2023** [here](#).
